DOING GOOD AND
HAVING FUN

GREAT *for* **KIDS** *and* **YOUR TEAM**

Delivering Grins™ is a collection of uplifting programs that help deliver smiles to children. UnitedHealthcare Children's Foundation (UHCCF) will partner with you to design a program that meets your philanthropic and team building goals. We can even help coordinate donations to your local charities.

Your group has the power to do good and deliver smiles to kids, all while having a lot of fun. We invite you to find the Delivering Grins program that is right for you and your team.

GRINS TO GO™
— UHCCF.ORG —

GIVE A SMILE GET A SMILE

There's no better joy than seeing a child smile, except when it's two children smiling. You and your team can assemble and donate Grins to Go® activity bags to children's organizations across the country. One child receives a great gift bag while another receives a UHCCF medical grant. A win, win for all.

The number of bags you assemble is up to you. We'll even coordinate the donation of the bags to a local charity for you.
