An easy online way to donate bags for children

FUN. IT'S IN THE BAG!

Grins to Go bags are filled with amusing gifts and activities that will inspire any child - whether in a hospital, waiting room or on a long car ride. Each drawstring bag is assembled by volunteers and then donated to hospitals and other organizations. When one child receives a dose of laughter, another child is enriched through a UnitedHealthcare Children's Foundation (UHCCF) medical grant - made possible by the proceeds raised by those who purchase bags through corporate giving or personal donations.

Delivering Grins®, Grins2™ and Grins to Go® bags are offered exclusively through the UnitedHealthcare Children's Foundation (UHCCF). This 501(c)(3) charitable organization provides medical grants to help children gain access to health-related services not covered, or not fully covered, by their parents' commercial health insurance plan. Families can receive up to \$5,000 annually per child (\$10,000 lifetime maximum per child), and do not need to have insurance through UnitedHealthcare to be eligible.

UHCCF was founded in 1999. Since 2007, UHCCF has awarded more than 10,000 grants valued at over \$29M to children and their families across the United States. UHCCF's funding is provided by contributions from individuals, corporations and UnitedHealth Group employees. To apply, donate or learn more, please visit UHCCF.org.
