

Oliver & Hope's™

HAND-MADE SHADOW PUPPETS

Put your hands together with Oliver and Hope and try some of these nighttime creations!

BUNNY

STEP 1: Keep your left hand on the left side and your right hand on the right side.

STEP 2: Flip your left hand over so that your palm is facing the ceiling. Then bring in your thumb on your left hand so that it is tight against your palm.

STEP 3: Curl in your pointer finger so that that too is touching your palm, but make sure not to curl your palm as well. If you can try to leave a little opening between your pointer finger and your palm to form the eye of the bunny.

STEP 4: Take your middle finger and try to point that as vertical as you can to form one of the bunny's ears.

STEP 5: To make the next ear keep your ring and pinkie finger together as if a string were holding them then, move them slightly behind your middle finger to form the other ear.

STEP 6: Now we move on to the right hand to form the hands and legs. With your palm facing down, take your thumb and place it horizontally against your left wrist.

STEP 7: Line up your pointer and middle finger with your left palm and bring them down slightly with some separation between the two to form the hands of the bunny.

STEP 8: Curl in your ring and pinkie finger and you should have your bunny!

MILLIE

STEP 1: Make two circles with your hands so that your pointer fingers touch your thumbs.

STEP 2: Line up your thumbs so that the joints before your thumb nails are touching each other.

STEP 3: Make a little opening between your two thumbs to form the beak of the owl.

STEP 4: Slightly fan out your middle and ring finger so that your middle finger is slightly on top of your pointer finger's nail and your ring finger is slightly on top of your middle finger's nail.

STEP 5: Point up your pinkie fingers to give that outline of an owl's face.

HOPE

STEP 1: Put all your fingers together, except for your thumbs, to form the wings for Hope.

STEP 2: Place your right hand over your left and line up the back of your thumbs to form the body of Hope.
